

What will your church look like in 5-10 years?

'If you have ears, then, listen to what the Spirit says to the churches..' (Revelation 2:7) It's September! It all starts here: new educational year, new opportunities, newly appointed ministers beginning their ministry in new places, and...... new hopes and visions? What will your church look like in 5-10 years (see the cartoon)? That's a question worth asking and sharing. We shall start by asking that question across our churches as we begin to grasp a vision towards making the best of what we have and who we are. The writer of the Book of Revelation had a vision for seven churches loved by God (Revelation chapters 2 & 3). Always worth a read and a serious ponder over. Maybe God has a message for your church? What is it?
